## Terms and Conditions

1. All orders are subject to the conditions set forth hereon, and no agreement or other understanding in any way modifying or supplementing these conditions shall be binding upon Seller unless made in writing and signed by an authorized executive of Seller.
2. This price quotation does not include sales, use, or any other taxes, which will be added to the price, if applicable.
3. Terms of payment are net thirty (30) days (subject to Credit Department approval). The Seller reserves the right to charge a one and a half percent (1½%) per month service charge on amounts outstanding more than thirty (30) days from the date of the invoice, effective as of the thirty-first day from the date of the invoice.
4. Effort will be made to effect shipment as soon as possible after an order is received but Seller shall not be responsible for any delay or failure to deliver caused wholly or in part by any cause not resulting from negligence on the part of Seller, including without limitation, fire, flood, accident, strike, labor trouble, civil commotion, acts of terrorism, war, demands, requests or requirements of governmental authority, failure in production equipment, product availability, inability to obtain fuel, power, raw materials or shipping capacity or acts of God, including snow, ice or other weather related problems. Transportation surcharges may be applied in the event of significant cost increases in transportation beyond the reasonable control of the Seller.
5. All claims of shortages in quantities delivered, quality or delivery of material other than ordered must be made in writing by Buyer within seven (7) days of receipt of shipment and supported by satisfactory evidence. Buyer, by acceptance of the material covered by this transaction, assumes all risk and responsibility incident to the handling and use of said material and for the results obtained through use of said material, and shall indemnify and hold Seller harmless of and from any and all claims with respect thereto.
6. Seller warrants the material sold hereunder is suitable for ice control only. Seller's liability is limited to providing additional material to the extent any material is shown to be otherwise than as warranted, and Seller shall be in no event liable otherwise or for indirect or consequential damages. THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
7. The SELLER reserves the right upon notice to BUYER to condition any future shipments (including those previously ordered or in transit) upon SELLER'S receipt of cash, certified or cashier's check in the amount of the invoice prices of such shipments and inclusive of all freight.
8. Delivered prices are based upon full truckload. Shipments are made in dump trucks carrying 20-25 tons and normally delivered within 5 days. Exceptions to truck minimums: in Michigan-50 ton minimum (or single trailer 25 ton minimum); Utah-40 ton minimum (or single trailer 25 ton minimum or tri-axle truck 18 ton minimum); Ohio pile delivery-200 ton minimum; 10 ton minimum per truck pickup where offered and available. Please give at least 24 hours notice prior to pick-up.
9. Estimated tonnage for existing customers is a weighted average calculation of purchases from Morton Salt in the last five (5) years. Customer requests above the estimated tonnage are subject to product availability and pricing changes. Increases in any of Seller's transportation and warehousing costs, and extraordinary increases in Seller's costs of production, including without limitation, in its costs of energy or package materials, may be passed along to Buyer upon advance notice to cover the increased costs to Seller.
10. Should fuel costs rise to a level requiring carriers to implement a fuel surcharge, the surcharge amount will be additional, and will be shown as a separate line item on the invoice. If implemented, fuel surcharge amounts may vary weekly, and are based on the fuel cost averages published at [www.eia.doe.gov](http://www.eia.doe.gov).
