Board of Selectmen
238 Danbury Rd
Wilton, Ct. 06897

Dear Board Members,

I am respectfully requesting permission to apply for the annual Elderly and Disabled Demand Responsive Transportation grant from the State Department of Transportation to help provide supplemental services for the Town's Dial-A-Ride program. The amount of the grant is \$25,751.00. This is a matching grant offset by the Town's Dial-A-Ride operating budget.

These funds are used for two part-time drivers and vehicle repairs, which provide us the opportunity to service more residents Monday through Friday.

Please let me know if you have any questions.

Sincerely,

Steve Pierce
