Thank you to the BOS for all of the work you do and the time you take in considering the needs of all in our community.

I am including a letter of request by Wilton Pride and ask that you consider this proclamation amongst those you support. The 'Proclamation of Civility, Respect and Understanding' is a wonderful start to the efforts create a community of support, inclusion, and mutual respect in a constructive way. This proclamation, as with others, is a way to reinforce these values.

Best,
