Hi,

I just wanted to let you know that our March promotion is now live and runs through March 31st. We have 8 tenants participating. Details can be found on our Facebook page.

I will let know how it goes. We have never done a promotion like this one.

Also, I saw a promotion that I think would be ideal for the EDC and the Chamber to work on together. It can accommodate many businesses. Fairfield did a Bingo game with local businesses. Check it out.
