Re: Donation to cover the replacement of the Equipment Shed at Middlebrook

The Wilton Softball Organization pledges a donation in the amount of approximately \$4000 to cover the cost of purchasing and delivering a new pre-built shed to replace the existing tractor shed at the Middlebrook School. The shed is currently located by the scoreboard and will be a similar footprint to the existing shed. Upon acceptance of donation, We will support the selection, ordering and delivery of shed with the town of Wilton in whatever way is most helpful.

Thank you,

Jim West
