Addendum No. 1

By way of Addendum No. 1,

Minimum Requirements,

Item numbers 3, 4 and 5 have been revised to eliminate the requirement that Bidder must have installed at least ten (10) septic systems for non-residential customers within the past five (5) years. See below.

3. The Bidder must have at least five (5) years of experience installing septic system in the State of Connecticut.

4. The Bidder shall submit a list of Connecticut residential or non-residential customers for whom the Bidder has installed a septic system within the past five (5) years for our review.

5. The Bidder shall submit at least three (3) references from residential or non-residential customers for whom Bidder has completed a project with a similar scope of work. References should include the following:

- **Customer Name**
- **Customer's Contact Telephone Number and E-Mail Address**
- **Project Description**
- **Project Date(s)**

The Town reserves the right to contact the Bidder's references regarding services performed. By submitting a bid, the Bidder authorizes the Town to contact its references.
