SUBMISSION
DEADLINE: Friday, March 26, 2021, 11:00 AM

Addendum No. 3

By way of Addendum No. 3, the following shall be incorporated:

- 1) Contractors shall exclude cost for the abandonment of the existing septic system from their bid price. It is estimated that the existing septic system consists of a 4 inch pipe to an old drywell. Test pits to locate drywell and abandonment will be paid for based on Time and Expense.
- 2) Contract shall include in their bid price costs associated with installing plastic fencing around all disturbed areas. This is needed to isolate residents from the work area. Type of plastic fencing can include but is not limited to red plastic mesh often considered as snow fence.
- 3) Liquidated damages shall be \$75.00/calendar day after the required completion date. It is anticipated that work shall take 30 calendar days to complete after Authorization to Proceed. It is anticipated that Authorization to Proceed will be issued on or about April 15th. Contractor shall submit work schedule and anticipated lead time for materials.
