**OTHERS:** Members of the Public

**A. Call to Order**

Ms. Vanderslice called the meeting to order at 2:19PM

**B. Millstone Property Holdings, LLC – 180 Millstone Road – Review and Discuss Findings from Site Walk**

Ms. Vanderslice noted that the purpose of the meeting is to hear from the Conservation Commission their observations and perspectives and for the Board of Selectmen to ask questions of the Conservation Commission.

It was the consensus of the Conservation Commission that the Millstone proposed "green trail" was not preferable to the current right of way. The Commission members expressed their desire to work with the property owners to have a mutually agreed upon trail designed and constructed by a professional trail builder.

There being no further business Ms. Vanderslice asked for a motion to adjourn at 3:45PM. Motion move by Ms. McFadden, seconded by Mr. Kaelin and carried unanimously
