State of Connecticut Paving Schedule for Westport Road

June 30, 2022

The State of Connecticut is planning to mill and pave Westport Road from Route 7 to Chestnut Hill Road.

Hours of Operation will be from approximately 7 pm to approximately 5:30am.

Milling work will begin on or about July 7th. This portion of work will take approximately 1 week (all weather permitting).

Paving work will begin on or about July 17th. This portion of work will take approximately 1 week (all weather permitting).

The State of Connecticut will have an inspector on site during this time. If you have immediate questions during work, please reach out to the State inspector. Or you may call their office at 203-389-3035.
