Press Release

Town of Wilton's Annual Townwide Cleanup Day Sponsored by the Wilton Conservation Commission Saturday, April 1, 2023, 9 a.m. to 12 p.m.

Call to Action for Wilton's Annual Townwide Cleanup Day!

The Wilton Conservation Commission is looking for volunteers to join them for 2023 Townwide Cleanup Day on Saturday, April 1st from 9 a.m. to 12 p.m. at the Town Green. Every year hard working volunteers of all ages join together to pick up litter along Wilton's roadways and the banks of the Norwalk River. "Townwide Clean Up Day is a great weekend service opportunity for individuals, families and groups which work together to improve our Town. I hope you will join us." said Lynne Vanderslice, First Selectwoman.

Work gloves, garbage bags and dumpsters will be provided by the Wilton Conservation Commission and available at the gazebo starting at 9 a.m. This year's event has several generous donors who will be providing raffle prizes for some lucky participants!

Wilton Hardware and Wilton Kiwanis have both donated to the Townwide Cleanup Day raffle. To be eligible to enter the raffle volunteers must collect a full garbage bag of litter and bring it the Town Green for disposal. **The raffle will be drawn promptly at noon on April 1, 2023 and you must be present to win.** Pinocchio Pizza will be providing each volunteer with a coupon for one free slice of cheese pizza for helping out.

This is a rain or shine event.
