Household Hazardous Waste Collection Events This Fall

Housatonic Resources Recovery Authority (HRAA) will be holding a Household Hazardous Waste Day at Miller-Driscoll School on Saturday September 9, 2023 from 9:00 am – 1:00 pm.

The event is open to Wilton residents. Proof of residency is required. Residents can visit the [HRAA website](#) for more information on what items can and cannot be disposed of at this event. For questions or more information, please contact HRAA at info@hrra.org or call (203) 775-4539.

Volunteers from the Wilton Environmental Affairs Department and the Wilton Conservation Commission will be on hand to assist with event coordination.

Wilton residents will have a number of other opportunities to dispose of their household hazardous waste this fall at these upcoming HRAA Household Hazardous Waste Collection regional events:

- New Milford John Pettibone School on Saturday, October 14, 2023 from 9:00 am – 2:00 pm. John Pettibone School is located at Pickett District Road, New Milford.
- Brookfield High School on Saturday, November 4, 2023 from 9:00 am – 2:00 pm. Brookfield High School is located at 45 Long Meadow Hill Road, Brookfield.

These events are open to all Wilton residents. Proof of residency is required.

Residents can visit the [HRAA website](#) for more information on what items can and cannot be disposed of at these events. For questions or more information, please contact HRAA at info@hrra.org or call at (203) 775-4539.

These events will enable residents to safely dispose of unwanted household hazardous waste by bringing it to the collection where a certified hazardous waste contractor will provide appropriate and responsible disposal of the unwanted products.

Wilton residents are able to dispose of electronics and paint anytime year-round. Visit www.paintcare.org to find locations to drop off paint. Certain electronics can be disposed of at the Wilton Transfer Station. For more information, please visit the [HRAA website](#).
