FOR IMMEDIATE RELEASE

July 15, 2020

All Town of Wilton basketball courts closed until further notice.

All basketball facilities owned and operated by the Town of Wilton have been closed by the Wilton Health Department effective immediately and until further notice.

The courts are being closed due to failure to follow the rules laid out in the [Reopen CT Sector Rules](#) for June 17th reopening. This includes exceeding the maximum number of people allowed on basketball courts and little to no social distancing and minimal wearing of masks among players and spectators.

A detailed review of all currently operating sport programs and camps is currently underway. Upon completion of this review, a determination will be made relative to which programs will remain open, be reopened, or be closed.

Questions and comments should be directed to Wilton's Parks and Recreation Office at (203) 834-6234 or emailed to steve.pierce@wiltonct.org.
