Village District Design Committee Meeting Minutes*
June 25, 2019, 4:00 p.m.

PRESENT: Rob Sanders, AIA, Chairman, Sam Gardner, AIA, Vice Chairman, John Doyle, AIA and Kevin Quinlan, AIA

OTHERS

PRESENT: Robert Nerney, Town Planner and Jennifer Fila

ABSENT: Laura Noble Perese, Secretary

Chairman Sanders convened the meeting at 4:00 p.m., confirmed committee attendance via roll call and referenced an application from Jennifer Fila to install replacement wall signage on the building façade located at 15 River Road. Applicant Jennifer Fila described her plans of opening a toy store identified as Town Center Toys in space formerly occupied by the Athlete's Feet. The request called for the installation of white adhesive lettering affixed to exterior windows in approximately the same location as the former business sign. Lettering would consist of acrylic material with a matt finish, raised slightly so as to provide graphic definition. No new lighting would be added. The committee unanimously agreed to the concept as presented.

The committee was provided an update concerning the formation of an architectural review board, the status of several development projects and the pedestrian bridge project.

The meeting was adjourned at 4:45 p.m.
