**Subject:** COMPLAINT: Apple Tree Properties Corp - 190 Range Road

**CAUTION:** This email came from outside the Town network. Is it authentic? Don't click until you are sure.

Hello,

I live at 176 Range Road and would like to submit a complaint and request to reject the current construction that is happening at 190 Range Road.

It is extremely tall/large (quite an eye sore especially when the trees are not in bloom) and appears to be very close to property lines - I am not sure why it must be built where it is located, when there is 3.52 acres to build this structure on, but I would like to ask the committee rejects this project and it be taken down immediately.

On a separate note, this property also has a pipe (hidden amongst rocks) that leaks onto our driveway which results in pools of water - **NOTE: this it is not due to rain**, as the attached video and shows the water falling during a very sunny day (as when most of the occurrences happen) - I do have photos of the pooling of the driveway, if necessary to share please let me know. I am not sure if tonight's forum is the place for this discussion but I would like to understand what responsibility the owner has here.

Best,  
Colleen Hanley
