Subject: We ask that you include these pictures when you are reviewing Turner variance request Section 29-5.D requested by Jeffrey and Nadine Turner at 69 Old Kings Highway, Wilton, CT 06897.

Pictures from top to bottom

Top picture: view from our driveway, the fence is our joint property line

2nd picture is Turner's patio we did not object to, (as we drive up our driveway).

3rd picture: is the view of their established. deck and side of their house (as we drive up our driveway where they want to build the addition)

4th picture: is a view of how close their house is from our driveway

5th picture: is a view from our upstairs bedroom of their established deck.

Once again we feel this is an unreasonable encroachment on our joint property line and we are opposing their request for a variance.

Respectively submitted,

David and Betsy Bell

71 Old Kings Highway.

Wilton, CT . 06897
