Re: Bellino, 20 Old Driftway, Wilton

Dear Mr. Wrinn:

I am concerned about the issue of building an "in-law apartment" at the location above. To allow such a huge variance on a property that sits so close to the street is not what Wilton is about. It is a rural, residential community with lots of lovely properties — not an urban area with apartments abounding. This could very well change the feel of the area.

And there is always the question of drainage and run off to who knows where! —

I oppose the issuance of the proposed construction at this site —

Sincerely —

Ellen Raleigh
